The Beach Boys were one of my favorite bands growing up in Los Angeles, and bringing this music back to the stage with such an incredible ensemble of musicians and singers is truly an honor. We know this music will live on forever. –Kevin Wachs, drummer & executive producer

Proceeds will be donated to Adam's Angels, a compassionate local group of volunteers extending help to community members in need, and the Surfrider Foundation of Santa Barbara, dedicated to the protection and enjoyment of the world's ocean, waves & beaches, for all people, through a powerful activist network.
